

Physician Testimonials

Dr. Michael Tanner, MD, FACP at Bellevue Hosp. NYC,

“Our A1c clinic physicians have worked closely with this program and it is noteworthy that Dr. Mints was a recipient of HHC’s 2007 Doctor’s Day award for his outstanding support and collaboration with the House Calls Telehealth program. This program has had a tremendous positive impact upon the outcomes of our diabetic patients”

The Telehealth Solution has proven results!
